

Hasan Sahoglu

Freelance Web & Graphics Designer

193 Fellows Court • E2 8LQ London • 07723 029 977 • hasansahoglu.co.uk • hasansahoglu@gmail.com

Objective

My goal is to team up with individuals who share the pursuit of excellence and efficiency in design in new media

Skills

Web & Graphic Design and Development Skills

- Specialised in website and user interface design, also graphic design for desktop media
- 7+ years of experience as designer, as well as coordinator of design team
- Master in using PS, DW, XHTML, CSS and experienced on FL, ASP and other web design tools
- Have extensive knowledge on web design practices to create fast-loading, efficient, usable and accessible web applications to work on different browsers and environments (such as handhelds, print and other media)
- Experienced on WCAG 1.0, 2.0
- Knows that simplicity is the ultimate sophistication (cost me few years)

Personal, Interpersonal and Communication Skills

- Possess an unceasing desire to gain new skills and techniques
- Experienced working with different client profiles
- Responsible and hard worker; able to take part in teams or work unsupervised
- Believes that work must be an enjoyable experience and a life-style in order to achieve success
